The DN-X050 2 channel 19"-rackmount DJ Mixer is supporting an "easy to use" mixer layout that does meet the need of many endusers that just do want to crossfade between two sound sources for party, at home or for mobile entertainment.

The design is perfectly matching with all DENON DJ 19" - rackmount double players e.g. DN-HD2500/DH-HC4500/DN-D4500 and DN-D6000 or will complete sets with other 19" players. The product quality is premium - the price is affordable.
